

Pablo then slowly leans in towards Katie, and her smile fades.

Pablo then leans in further to kiss her, but just as their lips are about to meet, she pushes him back and recoils.

KATIE (CONT'D)
(annoyed)
What are you doing?

PABLO
Wha- I just. You don't want to?

Katie stands up.

KATIE
Sorry I don't know what signals you're getting-

PABLO
I thought you wanted to?

Ollie raises his hands in the air in success.

OLLIE
~~Oh. My. God.~~

KATIE
I have to go.

Katie gathers her belongings as Pablo tries to stop her.

PABLO
Wait, I'm sorry. I didn't want to make you uncomfortable. I thought you were attracted to me.

KATIE
That doesn't mean I'm gonna kiss you?! I'm leaving.

Katie is about to leave the room when Pablo blurts:

PABLO
Ollie's spying on you!

OLLIE
~~Oh you fucking snake.~~

PABLO
The scene we rehearsed, he wrote it to make us hook up. He wanted to see if you'd cheat.

KATIE
(incredulous)
...what?

PABLO
The leak in my apartment was a lie,
he tricked my wife to go back so
that we wouldn't be interrupted.

KATIE
Interrupted from what?

PABLO
...you know...

KATIE
Why would he do that?

PABLO
Because he's sick!

KATIE
I don't buy it.

Pablo takes out his phone and calls Charlie. A beat in
suspense.

PABLO
(to Charlie)
Hey can you come up for a second I
need to talk to you.

A beat.

PABLO (CONT'D)
If you don't come up here now I
will make sure you'll never get
another job in this industry again.

Pablo hangs up.

KATIE
Fuck this I'm leaving.

PABLO
Katie please. Trust me. Just hear
Charlie out and then you can go.

Charlie enters the room.

CHARLIE
(to Pablo)
Please don't make me do this.

KATIE

What the fuck is going on?!

PABLO

Tell her about the leak in my house. Tell her who lied about it.

CHARLIE

I don't think I should-

PABLO

Just fucking say it!

Charlie looks at Katie.

KATIE

It's OK. Just tell me.

Charlie is freaking out. Ollie looks destroyed, as if he's about to lose everything.

CHARLIE

OK...

PABLO

Thank you!

CHARLIE

You know what, I can't lie.

PABLO

Finally.

CHARLIE

Pablo told me to get rid of his wife so he could get closer to you.

PABLO

What?!

OLLIE

~~You fucking genius.~~

Ollie kisses Charlie through the screen.

KATIE

You're sick dude...

PABLO

She's lying!

CHARLIE

And then he made me write this script to get you guys to hook up.

HOW TO MAKE HER CHEAT

PABLO
Oh you fucking bitch.

KATIE
(to Pablo)
What is wrong with you??

PABLO
What about these then?

Pablo holds up his necklace.

PABLO (CONT'D)
Katie. Ollie is watching us through
the necklaces. These things have
cameras.

KATIE
Pablo, you need to *stop*-

PABLO
I'm telling you the truth!

Katie looks at Charlie.

CHARLIE
The only one watching is my grandma
hoping these friendship necklaces
are in safe hands-

PABLO
Ah *fuck off*!

KATIE
Dude!

Pablo throws the necklace to the ground and begins to
aggressively stomp his foot on it.

PABLO
There's a fucking camera inside!

KATIE
Pablo, *stop!*

Katie and Pablo begin to scuffle before Pablo pushes Katie to
the ground.

Pablo quickly realises what he's done.

PABLO
Katie I'm so sorry-

KATIE
Get the fuck out!

←END

Pablo looks at them both. A beat before he leaves the room, too embarrassed to endure any more.

Katie and Charlie are frozen from the incident; an awkward silence ensues.

Katie sits down, defeated. She looks through the window as Pablo leaves the party. After the awkwardness triumphs the room, Charlie decides to break the ice.

CHARLIE
So... When is the wedding again?
