<p>Spokesperson: Hi, folks, and welcome back to AccidentHotline, where we have legal professionals standing by to answer your questions and give you a free consultation.</p>	
<p>I'm <i>_(your name here)_</i>_____, and I'm here with James.</p> <p>And you can reach us by calling the number right on your screen. You can also email us or you can go ahead and just visit AccidentHotline dot com and submit a question there.</p>	
<p>So if you've been injured in an accident, that was not your fault, we have legal professionals available to answer your questions and let you know what your case is potentially worth.</p>	
<p>You know, after you've been injured in an accident, it's a very scary and overwhelming time. You probably have a lot of questions.</p>	
<p>So I encourage everyone watching at home, if you've been injured in an accident or someone you know has been injured in an accident, was not their fault, and you don't have an attorney, give us a call, right now.</p>
